

Before the no-call list, there wasn't an evening or meal that wasn't disturbed with some "come on call". Most often, they were "rude" and wouldn't stop talking after you told them that you had no interest in their product or "fund raiser." Since I have been on the no-call list, I now enjoy an uninterrupted evening with my family-something that I HAVE RIGHT TO ENJOY! PLEASE DO NOT ALTER THE NO CALL LIST AND GIVE IN TO SPECIAL INTEREST COMPANIES AND GROUPS. THANK YOU IN ADVANCE FOR TO CONTINUE THIS POLICY THAT IS ONLY FAIR WITH OUR CONSTITUTIONAL RIGHTS!
